

# RPM ONGOING PARTICIPATION WORKFLOW

## -Practices and Providers-

Ongoing participation workflow and active monitoring management may also involve:

- Medication reconciliation or titration
- In-person follow up
- Triage to the ED
- Active monitoring or periodic checking of patient's vital signs

CPT Code 99457: Remote physiologic monitoring treatment management services, 20 minutes or more of professional time in a calendar month. CPT Code 99458 is for an additional 20 minutes. Requires interaction with patient.

CPT Code 99091: Collection and interpretation of physiologic data, digitally stored or transmitted by the patient or caregiver to the physician. Does not require interaction.

Providers able to perform RPM services include but are not limited to Physicians, Physician's Assistants, Nurse Practitioners, and Clinical Nurse Specialists

RPM Staff may include MAs, techs, and nurses
