Welcome to The Management Team!

We recently promoted **Kelsey Sehring** to our Management Team as the Supervisor for CHOA ED.

Kelsey graduated from Georgia State University with a degree in Neuroscience. She joined SuperScribe four years ago as a scribe and quickly fell in love with the job and the company.

With her strong work ethic and leadership abilities, she was promoted to Head Scribe in 2019. Kelsey continues to excel in her position, and now in a managerial position, she hopes to continue to provide the best medical scribing and clerical assistance for the providers as well as encouraging and motivating our future generations of healthcare providers!

Message from the Vice President

This time of year encourages us all to remember what we are thankful for and to take the time to enjoy our friends and family. SuperScribe, LLC is incredibly thankful for all our clients and our staff and hope that you all have an incredible Holiday Season. May the New Year bring us all a renewed vigor to be the best we can be every day and to chase the dreams before us. We would like to wish everyone a Happy Hanukkah, Merry Christmas, Happy Kwanzaa and Happy New Year!

May you and your family enjoy every moment of the Holidays this year.

The Physician's highest calling, his only calling, is to make sick people healthy- to heal, as it is termed. - Samuel Hahnemann

WHERE ARE THEY NOW?

Terrance Jenkins

After leaving SuperScribe, Terrance worked as an ophthalmic assistant for a year before beginning medical school at Ross University. He is currently in his 3rd year of medical school, doing clinical clerkships in Norwalk, Connecticut. Terrance plans on applying to either anesthesia or psychiatry residency programs next year and will be graduating in March of 2023. "I am truly grateful for SuperScribe and all of the providers for teaching and encouraging me, I couldn't have gotten here without you."

Scribe of the Quarter

Our Super Scribe for the final quarter of 2021 is **Olivia Pruitt!** Olivia embodies the phrase: what you put into it, is what you'll get out of it.

She is passionate, hardworking, energetic (despite mainly working night shifts) and consistent with phenomenal charts that prove it all. She is looked up to by other scribes and is very much appreciated by the rest of our team. Olivia is an amazing scribe all around but will be an even better physician one day.

News Article: Physician Productivity Gains Offset Cost of Medical Scribes

Scribes can help a practice add up to 20% more visits, which increases patient satisfaction. That is valuable to patients, who have increased access, and to providers who are able to do what they were trained to do, which is take care of patients, not paperwork.
